AED & AEM URGE YOU TO SIGN THE *START US UP USA!* INFRASTRUCTURE CAMPAIGN PLEDGE

Dear Candidate:

On behalf of the *Start Us Up USA!* campaign, a joint effort between Associated Equipment Distributors (AED) and the Association of Equipment Manufacturers (AEM), please consider signing the enclosed *Start Us Up USA!* infrastructure campaign pledge.

Start Us Up USA! urges our leaders to make surface transportation and water infrastructure investment a top priority. Now is the time to lay a solid foundation for America's economic growth, a cleaner environment, and a better quality of life for all Americans. We are asking candidates for federal office to commit to supporting these critical efforts in the next Congress.

Please return the signed pledge to Daniel Fisher, AED's Director of Government Affairs, via email (dfisher@aednet.org) or fax (703-739-9488). Upon receipt of the pledge, we will advertise your support on the campaign's website, www.startusupusa.com.

Thank you for your consideration and best of luck in November.

Sincerely,

Toby Mack
